In Salutation

Another school year has gone. It has been a difficult year in some respects, but, with-all, we think a successful one. Perhaps it is the world-wide warfare going on that has made it seem different. Or possibly, it is due to some innate condition within ourselves, fostered by the war. In any case, the year has gone, and with it hundreds of our boys have left us to go out in the service of our country. Probably the best thing we who have remained behind have done has been to go along the while, as nearly normal as is possible. So doing has kept us steady, loyal, and we hope patriotic—characteristics necessary to our day.

The best of good wishes to all.

—J. C. CASTLEMAN

The Ideal School

Wood, steel, brick and even people do not make a school. There must be an intangible spirit of loyalty and zeal of students, faculty and patrons of the community to make a school a vital and living force in the lives of young men and women. The graduates of this school have already given evidence of the success of the founders of Pulaski High School, in building a great and living force for good in this school, and in this community.

—B. E. BROWN

A D M I N I S T R A T I O N

Pulaski High School, 2500 West Oklahoma Avenue, is a school which incorporates all the ideals of a true democratic education. There

are no laws, but regulations and where they are needed they are incorporated.

Students may make preparations for their chosen careers by taking appropriate subjects. The teachers of these various subjects are guides in the personal lives of the students as well, so that a spirit of friendship prevails throughout the student's high school life.

In co-ordination with the main office there are many branches of the school which make Pulaski the great school that it is. The attendance office, the guidance offices, the treasurer's office are but a few of the many departments of which the administration consists.

Since the war many phases of school life have changed. Teachers and students have entered the armed services and many courses have changed to allow for phases concerning military ideas, but in spite of the war Pulaski High School continues as it always has, Forward.

FEBRUARY CLASS HISTORY

It was February, 1939, when a small group of Freshmen entered the portals of Pulaski High School. These students, lead by Mr. Wm. Czarnecki and Miss Edith Friese, were to prove to be some of the most interesting and active in the school's history.

Even as Sophomores they held events which greatly added to the class treasury. These events were considered quite an attainment for lower classmen. The officers of this class were: Donald Albrecht, Catherine Blank, Phyllis Ann Gosch, Harry Harries, Marie Kneser, Dorothy Kowalski, and Carl Kuehne.

The semesters flew by and their Junior year arrived. These people were extremely cooperative with the other classes. In November of 1941 they were co-sponsors with the 11B class in the presentation of their Prom which carried a South American theme, a suitable background for the then popular "Conga" dance.

Louis Szrot was elected king and reigned royally with his queen, Grace Cyganek. This year the students were lead by the same group who were chosen the previous year.

At last, but by no means least, the long awaited Senior year arrived for the eighty-nine students, whose class commission was composed of Donald, Albrecht, Gloria Bakken, Paul Blank, Jane Breckenridge, Robert Dziedzic, Clifford Patzke and Marie Kneser. The annual Senior Prom was presented and beautiful Marie Kneser reigned as queen with her chosen king, Robert Kroening.

The Senior vaudeville was held, and the proceeds were left to the school as a parting gift. These eighty-nine students, who have the distinction of being the smallest graduating class from the new building, will long be remembered as one of Pulaski's finest groups.

JUNE SENIOR CLASS HISTORY

In the fall of September, 1939, Pulaski opened its doors to another new class of freshmen. Little did anyone know that day as these new students assembled in their new surroundings, how ambitious, potential, and challenging they would become.

The freshmen and sophomore years passed leaving our class acquainted with the general routine of high school life and a realization of its importance. For the most part this year was one of orientation. Mr. Filipiak and Miss O'Brien were chosen as the class sponsors.

Then the junior year, Oh yes! This was when they became part of the upper classmen with many opportunities which were received with much gratification and put to the greatest advantage. A spectacular event was the junior prom, a gay event with a South American atmosphere. Louis Szrot reigned as king with Grace Cyganek as his chosen queen. The junior class witnessed a great event that year when the swimming team took first place in the city meet with the aid of several up and coming junior boys, including Louis Szrot, Norman Sobczak, and Raymond Gaudynski.

Through all the excitement, activities, and joys of high school days, sad incidents overshadowed a part of it. Many of our students, both boys and girls, were called to the service of our country, sacrificing not only their educations; but in some cases, their lives. In this crisis many of the classmen here at school were found giving freely and willingly of their time

to the aid of the Red Cross, ration boards, salvage and scrap drives, and above all, a great spirited campaign for the buying of war bonds and stamps.

All too soon came September of 1942 with the last year of high school beginning for this class. Early in the year, class officers were elected as follows: President, Dale Hanner; vice president, John Nadolny; treasurer, Daniel Jaworski; and secretary, Leatrice Babcock.

Social events of significance included the homecoming dance, the aquacade and the senior prom, which highlighted the year. Through popular vote Marie Kneser reigned as queen with Robert Kroening as her king.

The last few months of school included the class play, "A Kiss for Cinderella," in which Marjorie Porath and Melvin Berg starred in the leading roles; the spring prom, character day, cap and gown day, and the senior banquet.

The class was distinguished by many of the boys joining the Air Corps Reserve during the last semester, and the girls securing employment in essential war industries and registering in nursing and F. B. I. work for their post-graduate work.

All too soon these events, planned with great sincerity and thought, came to a close, leaving many memories in the hearts of the Seniors as they said "Good Bye," if not with a tear in their eyes, then in their hearts.

The Cavalier Annual underwent a complete change in faculty supervision this year. Mr. Edmund Olszyk, sponsor of the 1942 annual, entered the armed forces and Mr. Ralph Graves with the assistance of Mr. Edward Batterman took over the new annual. FOOTBALL

The 1942 football season opened in September with a great number of enthusiastic Ramblers getting ready to do their part in putting Pulaski High School on top in the City Conference. With the loss of Coach Williams, who had joined the army, only coaches Wozny and Litzow were left to show our boys the tricks of the game. Later in the season Coach Wozny also left to serve our country and Al Thurner relieved him as head coach.

Graduation had once more dug deep into the nucleus of the old team but there were still some potential stars left. Last season's veterans who returned were Bob Dziedzic, Orv Marquardt, Bob Ureda, Arnie Kuchta, Dale Hanner, Herb Stommel, Harv Kossow, George Walter and Russ Coley.

Weeks of intensified practice followed the first meeting in which the boys learned the fine points of blocking, tackling, punting, passing and other fundamentals of the game. Then the first game with Waukesha came, and it proved the opponent had practiced more than our

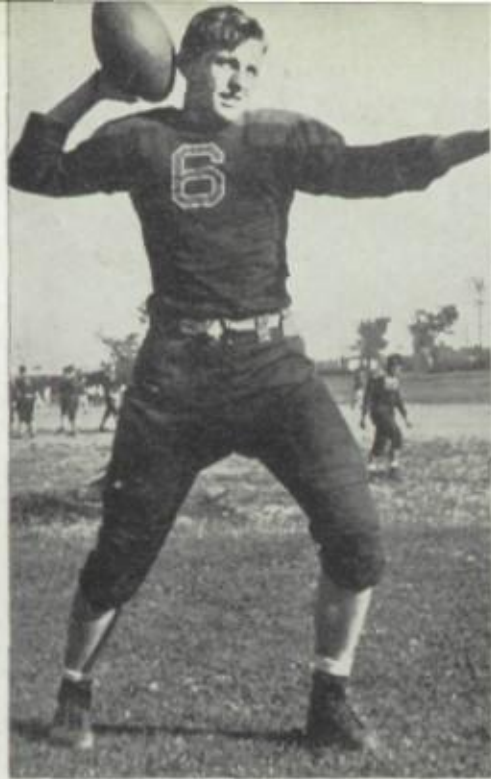

Ramblers for the score was 33 to 0 in favor of Waukesha. Dale Hanner and Dan Jarecki held the spotlight with a 40 yard run and the catching of two fine passes, respectively.

The next week the Ramblers went to South Milwaukee, only to be defeated by a score of 18 to 0. The team played well, but the mud and South Milwaukee were too much. Herb Stommel and Lank Piontek played heads up ball and proved to be worth watching.

The Ramblers then opened their first city conference game with North Division. They played an exceptional defensive game but lack of offensive gave the north siders a 6 to 0 victory. Despite a muddy field, Herb Stommel and Orv Marquardt sparked afield.

The following Saturday, Pulaski lost again, this time to Bay View by 14 to 0. A few lucky breaks gave Bay View both touchdowns.

After losing their homecoming game to Bay View, the team made its first score of the season against East Division, but it seems Pulaski wasn't used to night ball and East overwhelm-

ed the Ramblers 21 to 7 with excellent running by the backfield.

With five straight defeats the Ramblers still weren't licked and proved it in their next game against West. Herbie Stommel scored our second touchdown of the year and with fine defensive play by the line, was enough to beat the Westerners 6 to 3. This was the second conference victory in two years for Pulaski.

Pulaski couldn't duplicate its victory over West and Rufus King proved too much and won 25 to 0. King dominated the play through the entire game.

"Old Man Football" took its final bow in the last game of the season with Washington High, a game which was much publicized. The tough line of the Purgolds and their fast breaking backs set up many touchdowns and Pulaski

was mauled 49 to 6. Arnie Kuchta's pass to Dick Gill gave Pulaski the lone score and third of the season.

So ended the football season for the gridders of Pulaski, rather unsuccessful season for our Ramblers, but considering that this was only their second year of conference football, Pulaski High School proved satisfactory.

BASKETBALL -- CITY CHAMPIONS

Coach Wally Olen's basketball team reached its ultimate goal on March 5, 1943, by winning the city basketball championship. Besides winning the championship, Pulaski had three outstanding players who placed on all the all-city teams. Lank Piontek guard and Norm Gradecki forward were voted the most valuable men in the city conference, with Harry Wojnowski, forward, receiving honors by placing on the second team.

Pulaski opened the city conference with a decisive victory over Bay View by a score of 32-20. Arnie Datka scored 13 points for top offensive record, and Len Piontek played exceptional defensive ball.

Norm Gradecki played an outstanding game getting 13 points as Pulaski beat Tech 39-31. Harry Wojnowski was second getting 10.

The next week the Ramblers met their first and last defeat of the season losing to Lincoln 26-33. Datka and Gradecki each scored 7 points.

This didn't affect the Ramblers because they came right back and whipped Juneau 42-26. Datka led the scoring with 11 points.

Then came the game with their traditional rivals of South Division. The Ramblers defeated South for the first time since 1938 by winning 33-28. Gradecki was again high in scoring as Pulaski shellacked North 38-26.

The defeat of Rufus King by a score of 42-21 put Pulaski into undisputed second place. Arnie Datka, Harry Szklarski and Bob Vaneska played their final game for Pulaski.

The losing of these stars was not going to stop Olen's big five, so they went on to defeat West 56-47. Gradecki

scored 23 points with Wojnowski getting 17. Piontek with the aid of his height, controlled most of the rebounds.

Pulaski passed Washington the next week by defeating them 37-30 for undisputed first place with two games left.

The first, with Custer, was won 37-30. Lank Piontek played a fine defensive game while Gradecki and Wojnowski, led the offensive in defeating the Generals.

Pulaski overwhelmed East in the last game, March 5, by a score of 46-22 to become the new champions. After the game Coach Olen expressed his thanks to the whole team; not only to the regulars, but to every one of the reserves who all stuck with the team to the final second of play.

We congratulate you, Coach Olen and the team.

TENNIS

With a loss of all his lettermen Coach William Czarnecki had a tough time this year in tennis. The lettermen of last year were Dan Wroblewski, Bob Heller, Gordon Tobalski, Bob Reich, Carl Muskowski, Ervin Krzeminski and Harold Czarnecki. Coach Czarnecki had to rebuild the team around scrub players, two as doubles and three singles.

In their first match the boys met a non-conference team, Milwaukee University School. The score ended 4 to 0 in favor of M.U.S.

The Ramblers met defeat in their second meet by Washington. The score was again 4 to 0. Gil Mecha, crowded Tom Kaufman for his two games, but came out on the short end of the score. The rest of the boys were giving their all for Pulaski too.

The next week the boys went down in defeat to Lincoln 3 to 1. In the doubles, Bonk and Welsh of Pulaski defeated Stern and Feiss of

Lincoln for the Ramblers' first victory of the season.

The team was composed of Jerry Ash, Gil Mecha, Art Bonk, Dick Mlynarek, Ken Fons, Bob Welsh, and Don Stanosz. Alois Mecha was the Manager.

SWIMMING

Although unable to duplicate their goal of last year as city swim champions, Pulaski's mermen made a favorable showing for the year. Winning more meets than they lost in inter-school meets, Pulaski pulled into third place in the City Swim Meet with 39 points, only 8 points short of last year. Boys' Tech regained first place with 54 points and Bay View took second with 50 points.

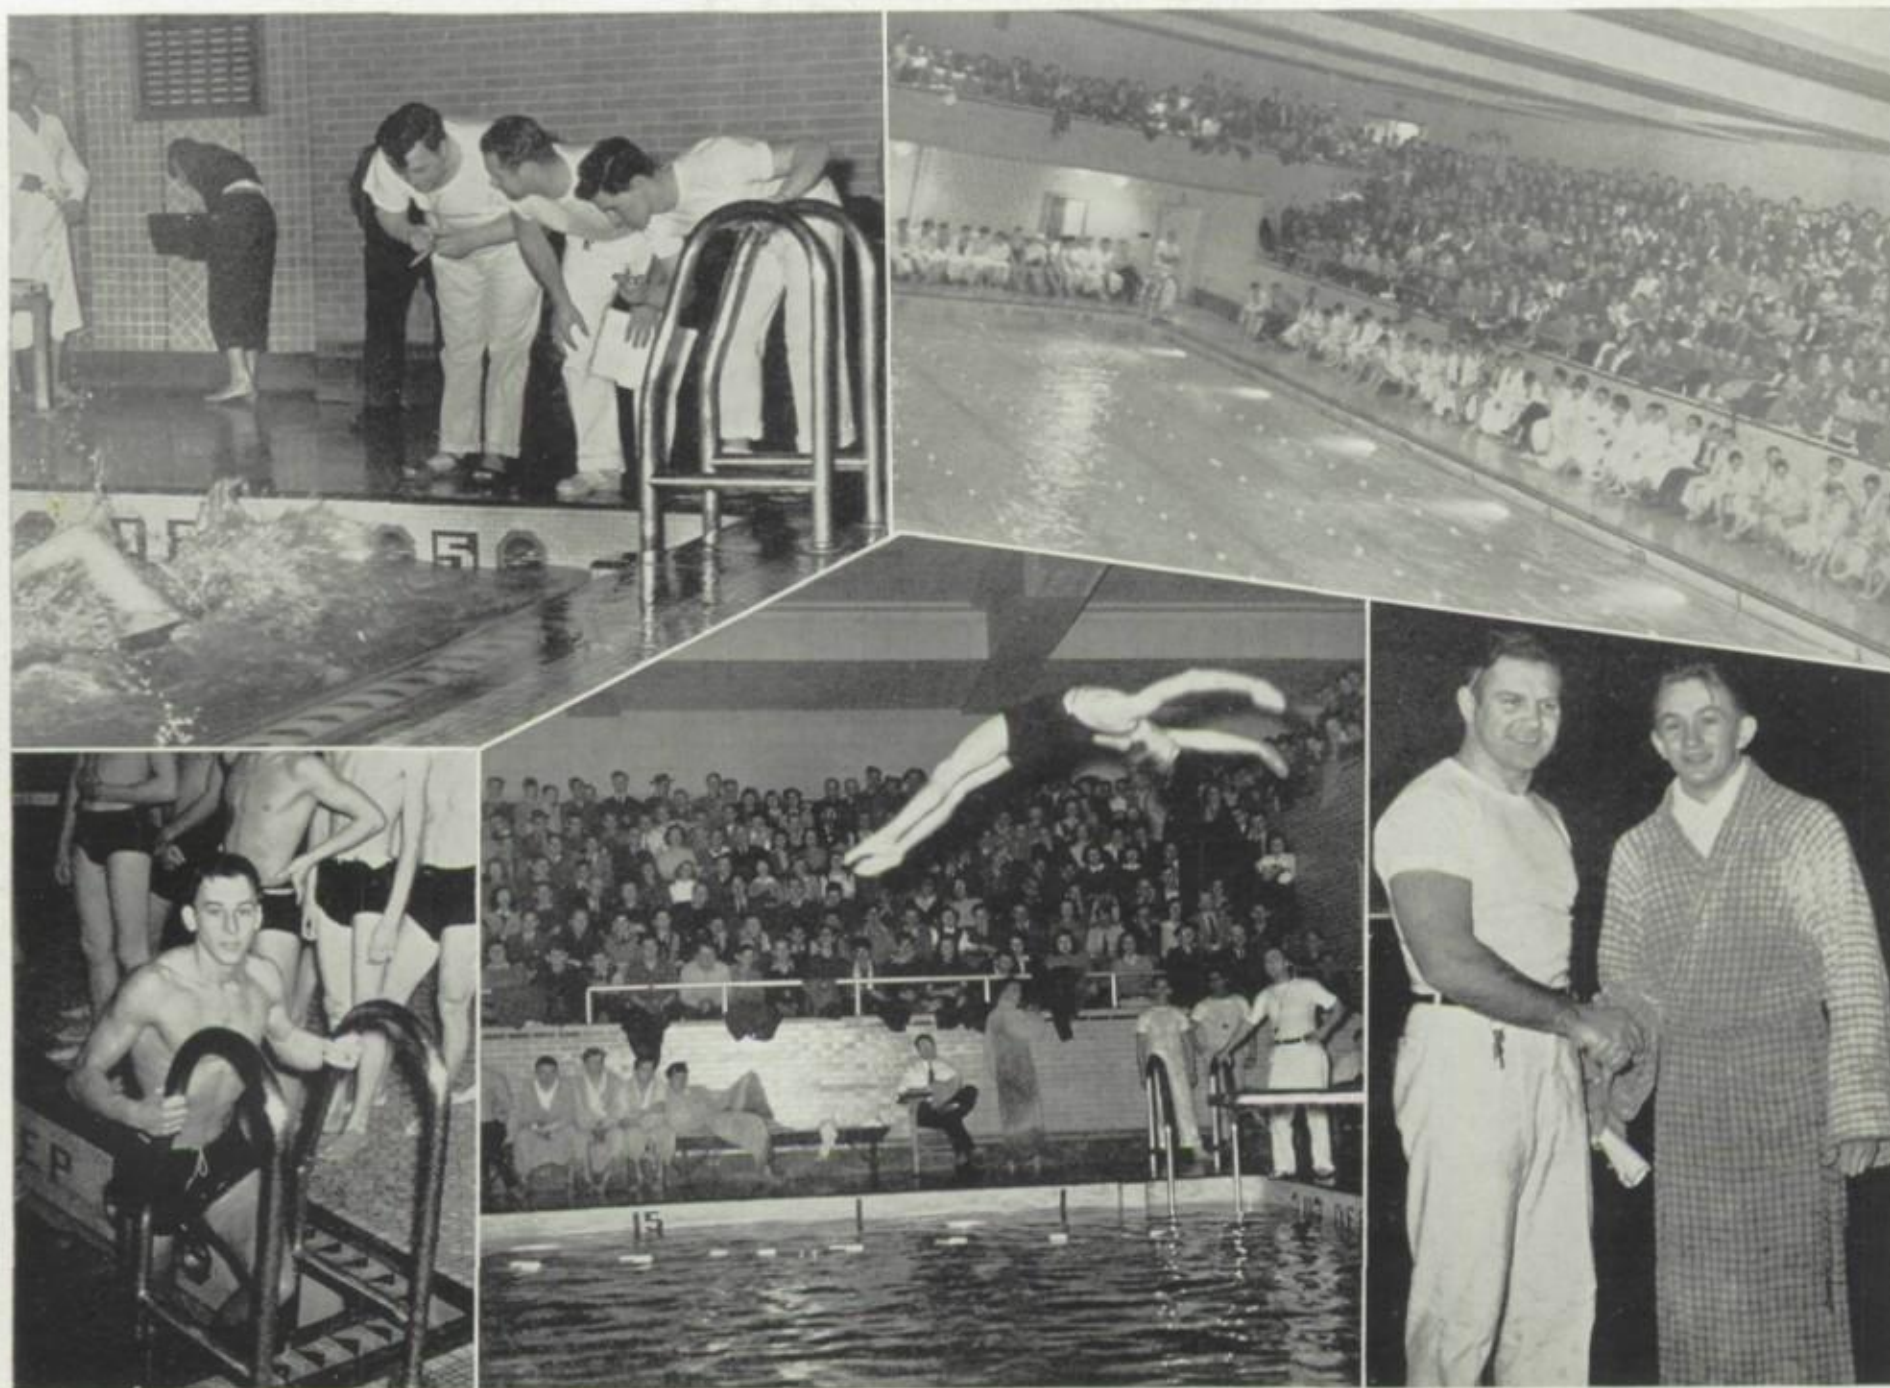

Bob Gaudynski, Coach Wielgosz's fancy diver, took a first place in the fancy diving event. Orv Marquardt, swimming the 50-yard freestyle, placed second in this event. Louis Szrot was nosed out twice, taking second both times, once in the 100-yard breaststroke and once in the 100-yard freestyle. Joe Rosmarynowski took fourth in the 75-yard individual medley; Chuck Brown took a fourth in the 100-yard backstroke; Eddie Kaczmarek took another fourth in the 100-yard breaststroke. Norm Sobczak claimed fifth place in the 200-yard freestyle. Pulaski relay men took a second and a third in the

200-yard relay and 150-yard medley relay, respectively.

In the state swim meet the Ramblers tied Kenosha for seventh place. Shorewood took the title with 43 points. Bob Gaudynski took fourth place in the fancy diving. Ed Kaczmarek placed by taking third in the 100-yard breaststroke followed by Louie Szrot who took fifth place in the same event. The final event in which Pulaski placed was the 150-yard medley relay composed of Chuck Brown, Ed Kaczmarek and Norm Sobczak.

TRACK

The track team, coached by Al Thurner opened its season April 21, after long practice sessions.

On the twenty-first Pulaski met West and Juneau at Juneau. West won with 52 points, Pulaski 48, and Juneau 42. Norm Gradecki of basketball fame, placed first in the 100 yard dash with a time of 10.9 seconds. Gene Piotrowski took a first in the 200 yard dash, while Harvey Kossow helped the cause along by throwing the discus 115 feet for a first. The Ramblers relay team, composed of Gradecki, Lohrke, Coley, and Piotrowski, took a first.

In Pulaski's second meet, West again defeated Pulaski 65-48, even though Thurner's boys took four firsts in the field events. Piotrowski

took first in the 100 yard dash with Gradecki second. Jack Ernst tossed the shot put 41 feet for a first in his event. Len Piontek, also of basketball fame, took a first in the broad jump, traveling 19 feet 4 inches. Harv Kossow again took first in the discus with a throw of 122 feet 9 inches. Norm Gradecki took the high jump, jumping 5 feet 4 inches. In the relay our boys defeated West again with Gradecki, Lohrke, Piontek, and Piotrowski, running. Other meets followed of which the editor was unable to follow because of the lateness of the track season.

Of the 1943 track team, returning lettermen were F. Gunia, J. Woida, D. Lohrke, M. Berg and N. Gradecki.

Left: Gene Piotrowski, Dan Lohrke and Tom Manske
Center: Bob Kaminski, Russ Coley
Right: Jerry Woida and Norm Gradecki

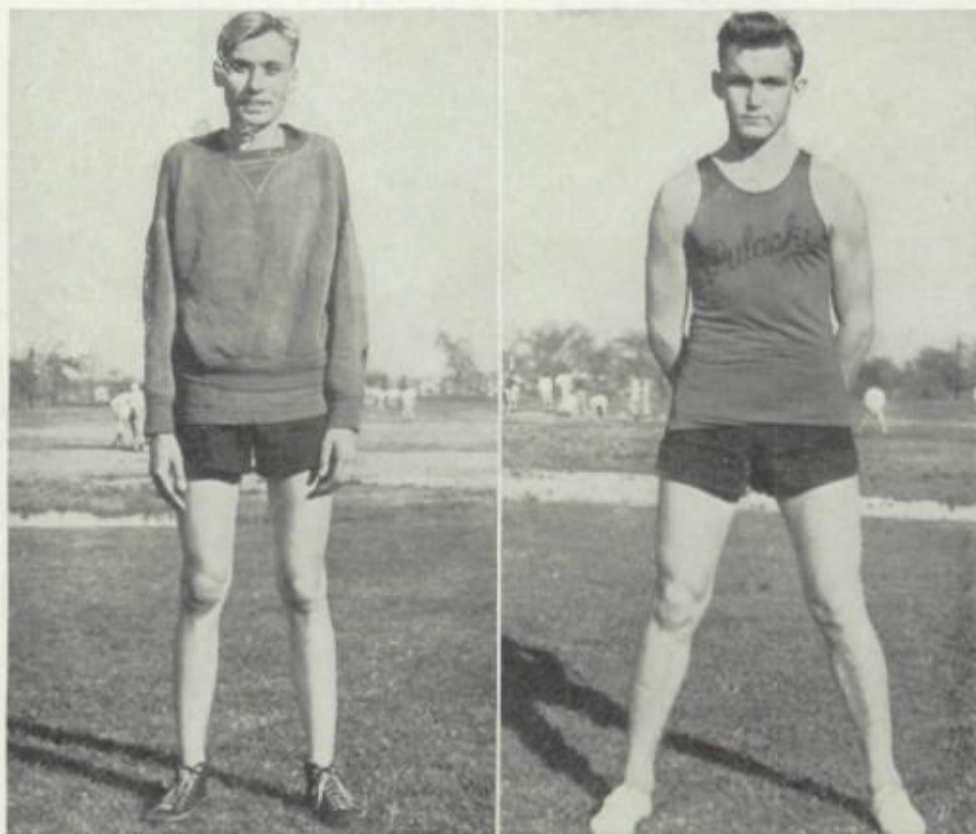

CROSS COUNTRY

The cross country team was coached by Mr. William Czarnecki, who relieved Harry Max, the latter having entered the armed forces.

Pulaski did fairly well, winning two and losing three in the dual meets. In the first meet with Lincoln, Pulaski was left in the dust by Lincoln runners by a score of 18 to 40. Gil Mecha placed fourth, Harry Wesolowski held sixth place, Francis Gunia took ninth and Dan Lohrke came in tenth. At the next dual meet, Francis Gunia and Gil Mecha placed third and fifth, respectively as Pulaski was defeated 20 to 38.

By this time the team was running smoothly, and they forged into the lead to defeat Custer 40 to 24. Eight of the first ten to cross the line were Pulaskians. Francis Gunia was second, Gil Mecha, fourth; Ray Teska, fifth; Dan Lohrke, sixth, Milt Kirkstein, seventh; Milt Nowakowski, eighth; Harry Wesolowski, ninth and Frank Shutta, tenth.

A strong South team was too much and the Ramblers lost 16 to 48, but the next week they charged back and defeated Cudahy 40 to 24.

Francis Gunia, Major letterman Gilbert Mecha, Minor letterman

Francis Gunia won a major letter and Gil Mecha a minor as the outstanding runners. Coach Czarnecki promises a better season next year as many stars will be returning.

SYNOPSIS

During the World War I, a little London slavey, "Miss Thing", is cleaning Mr. Bodie's studio when a policeman comes to warn him that he is showing too much light while enemy planes are abroad. The "bobby" overhears this modern Cinderella longingly wish to go to the large ball at Buckingham Palace. He follows her home and discovers that she operates a penny shop, "Celeste et Cie", and also cares for four little war orphans. Miss Thing tells these children the story of Cinderella. Later she falls asleep on the steps of her shanty and dreams that she is the real Cinderella at the ball and that the policeman is her prince.

When Miss Thing, suffering from exposure due to sleeping out-of-doors, awakens, she is in a hospital. In this convalescent home by the sea, she recovers. The policeman comes to tell her that he loves her. And so this story about Cinderella also ends happily.

Keep on the Offense

Are you thinking about the future of your business as well as your own future? These days, very few firms are able to supply their customers as before. What to do? To ignore the situation for the duration, with the hope of renewing old ties when the purpose suits, is a fairy story that never comes true. What you can do now is to advertise continuously and consistently. Business lasts only as long as people know its products and believe in them, so keep your name and products before your customers and prospective customers. Begin your offensive drive in national emergency advertising by calling the Premier Engraving Company.

Service...

Service rendered—was made possible by the cooperation of your staff and advisors. It has been a pleasure planning this book from cover to cover with them and then watching our Master Craftsmen use every skill in reproducing those plans on paper, from fine engravings and modern typography. Now that it is finished—when it receives the approval of the faculty, the graduates, and the entire student body—we will know our service has been well rendered.
